Where History and Hospitality Tie the Knot

With History dating back to the 1850's, Ardenwood Historic Farm offers a journey back in time. The stately Patterson House, a beautiful 19th-century mansion restored to its original elegance, graces the grounds at Ardenwood Historic Farm. The expansive lawns and surrounding gardens create a magical atmosphere for wedding ceremonies and receptions. Walk down the illuminated pathway to find an archway covered in romantic twinkling lights as you enter the serene area of the farm completely surrounded by trees, the biggest redwood being showcased by uplighting and the perimeter of its lawn lined with glowing market lights. An arbor serves as the backdrop to our large concrete dance floor, and tall New York-style street lamps highlight the reception lawn. Ardenwood Historic Farm has preserved the Victorian Garden that now serves as a refuge for over 99 species of birds and is home to monarch butterflies through the winter. Palmdale Estates Events looks forward to hearing from you to plan your perfect day.

We understand that couples may have their hearts set on certain service providers who are not on the list - we can offer some flexibility on certain vendors, with the exception of the Caterer and DJ who must be hired from our list.
